SIR,

SUBJECT :—Audit objection re: delay in giving effect to revision of assessment, Harihar Municipality.

I have the honour to state that the assessment of buildings in the Harihar Town Municipality was revised during the year 1936-37. The Council resolved on 30th January 1937 that the levy of the revised assessment may be given effect to from 37-38 as all the objection petitions had not been completely disposed of.

While auditing the accounts of 1936-37 of this Municipality it was observed by Assistant Comptroller that the Council had lost an income of Rs.769/- by not giving effect to the revision of assessment during 1936-37 and that this amount has to be surcharged.

The objection of the Assistant Comptroller was placed before the Council on 28-1-1940 and it was resolved that sanction of Government might be obtained to waive the objection.

It is seen from the records that the delay in disposal of the objection petitions was due to the fact that the Council formed a revision Committee on 15-4-1936, that the period of

of the constitution of the Council expired on 31-12-1936, that a separate revision Committee was formed on 30-1-1937 and that the objection petitions could not therefore be disposed of intime.

In the circumstances reported I request that sanction of Government may kindly be obtained for waiving the objection raised in audit

The connected records are forwarded herewith for reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug Dist
